

18th Australasian Polymer Summer School (18APSS)

February 14-16 2017,

Building MM Lecture theatre MM 1-05 the University of South Australia, Mawson Lakes
Boulevard Mawson Lakes Campus, SA, 5095

Overview

The RACI Polymer Division and the CRC for Polymers are jointly supporting the 18APSS. This event provides an excellent opportunity to gain an overview of important developments in polymer science and engineering from experts in their fields. Anyone interested in the topics to be presented is encouraged to register.

Who Should Attend?

- Students enrolled in higher degrees;
- Undergraduate Engineering and Science students;
- Graduates and Postdoctoral fellows;
- Anyone with a technical interest in polymers and polymer research.

Presenters and Topics

Speaker	Topic	Affiliation
Dr Markus Müllner	Introduction to polymers	University of Sydney
Dr Stuart Prescott	Polymer characterisation A	University of New South Wales
Dr Asa Jamting	Polymer characterisation B	National Measurement Institute of Australia
A/Prof. Cyrille Boyer	Living radical polymerisation	University of New South Wales
Prof. Amanda Ellis	Polymer surfaces and interfaces	Flinders University
Prof. Peter Murphy	Polymer technologies and industry A	University of South Australia
Prof. David Lewis	Polymer technologies and industry B	Flinders University
Prof. Neil Cameron	Polymers in nanomedicine and biomaterials	Monash University
Including Prof. Emily Hilder and Dr Stuart Thickett	Panel session on careers	University of South Australia and University of Tasmania

Registration includes

- Accommodation and breakfast Mawson Lakes Hotel (**residential attendees only**);
- Entry to all lectures at the 18APSS;
- Catering from Tuesday afternoon tea to Thursday afternoon;
- Conference food truck BBQ on Tuesday evening;
- Conference dinner on Wednesday evening;
- Summer School presentations available to download through Dropbox (**for attendees only**)

Registration fees (supported by CRCP and RACI Polymer Division):

Registration type	Residential	Non-Residential
Undergraduate	\$ 300.00	\$ 200.00
Postgraduate	\$ 350.00	\$ 250.00
Postdoctoral/Other	\$ 400.00	\$ 300.00

Conference Convener: Dr Stuart Thickett, University of Tasmania

Registration enquiries: Ms Amy Hunt, CRC for Polymers, 03 95180400, polymes@crpc.com.au
